1. Background

ICLEI – Local Governments for Sustainability, South Asia (ICLEI South Asia) is implementing the European Commission funded project on ‘**Accelerating climate action through the promotion of Urban Low Emission Development Strategies (Urban-LEDS II)**’¹ in Narayanganj and Rajshahi city of Bangladesh with support from the UN Habitat as an implementing partner. This project aims to reduce greenhouse gas emissions and support implementation of climate actions at local level by the promotion of Urban Low Emission Development Strategies (Urban LEDS) in cities/towns of emerging economies (Brazil, Colombia, India, Indonesia and South Africa) and Least Developed Countries (Bangladesh, Lao PDR and Rwanda).

Through a comprehensive public outreach audio-video content, ICLEI South Asia intends to sensitize and encourage stakeholders towards low emission and climate resilient urban development. The video content must holistically cover the journey and activities of the Urban-LEDS II project.
