Request for Empanellement (RFE)

RFE Reference no.: EcoLogistics/CCP/UT/P1

Date: 12/07/2022

- The city of Panaji plans to transform its urban freight sector fleet by introducing Electric 3-W, 2-W freight vehicles in the city and contain growth of diesel-based LCV.
- The EcoLogistics Multistakeholder working group and Corporation of the city of Panaji is keen to evaluate the workability of E-loader in real time scenario.
- EcoLogistics project is offering to assist the city develop and implement pilot to evaluate the technical capacities and workability of 3-W electric freight vehicles.
- The project is aimed at reducing greenhouse gas (GHG) emissions and air pollution caused by Internal Combustion engine-based 3-wheeler freight vehicles.
- Corporation of the city of Panaji (CCP) and other members of the EcoLogistics multi-stakeholder working group intend to launch the initiative on a pilot basis
- ICLEI Local Governments for Sustainability, South Asia (ICLEI South Asia) on behalf of CCP and EcoLogistics project invites proposal from vendors for empanellement to supply above category of electric freight vehicles and their comprehensive warranty for maintenance services under pilot project “Promotion of Collaborative last mile delivery (load pulling) through electric freight vehicles” Under EcoLogistics project.
- As the capital cost of electric freight vehicles is substantially higher compared to ICE counterparts, the project envisages providing a financial incentive to drivers to shift towards electric freight vehicles.
- The EcoLogistics project shall fund maximum 40 per cent of ex-showroom cost. The remaining cost would be borne by beneficiary.
- The vehicles must be installed with GPS devices, minimum range of 80 km, moving capability at 9-degree gradient (with full load)
- The quotation for cost of vehicle should mention total onroad price which includes insurance, road tax, transportation cost and any other tax applicable in Panaji.
- The vehicles shall be delivered in Panaji city.
- Quoted rate will be valid for 3 months.
- The interested Agency/suppliers should confirm their participation and must submit their queries in writing through post or email (iclei-southasia@iclei.org). Queries received after the set time limit will not be considered.
- The Agency/supplier is expected to carefully examine all the instructions, guidelines, terms and conditions and formats in the RFE. Failure to furnish all necessary information as required by the RFE or submission of a proposal not substantially responsive to all the requirements of the RFE shall be at bAgency/supplier’s own risk and may be liable for rejection.
- The proposal and all the associated correspondence shall be written in English and shall conform to the prescribed format.
- No Agency/supplier is allowed to modify, substitute or withdraw the proposal after its submission.
