ICLEI - Local Governments for Sustainability, South Asia

VACANCY ANNOUNCEMENT:

I. Position Information
Architect, Urban Designer – 1 position (Udaipur, Rajasthan)

II. Organizational Context
ICLEI-Local Governments for Sustainability is a leading global network of 2500+ cities, towns and regions committed to building a sustainable future. ICLEI works with local governments through international performance-based, results-oriented campaigns and programs. In its result-based approach, ICLEI brings cities around the world together to build partnerships and share techniques to promote participation and the effectiveness of environmental protection through local-level initiatives.

ICLEI’s South Asia Secretariat operates from New Delhi, India. Engagement with cities is enabled through project offices located across cities and states in India, Nepal and Bangladesh. With a membership base of over 70 cities, ICLEI South Asia offers a wide range of technical services, support and customized methodologies on sustainable urban development, climate change, energy through donor funded programs and projects. ICLEI South Asia helps cities strengthen their technical capacity, improve awareness of sustainability issues among elected representatives, administrators and citizens, provide information, and develop a greater capacity for cities to deliver basic services in the most sustainable manner.

ICLEI’s substantive focus is helping cities build and share solutions to the challenges of:
- climate change
- water and air pollution
- waste management
- renewable energy and energy efficiency
- built environment
- clean transport
- disaster management
- environmental management systems

Projects related to thematic areas of energy efficiency, renewable energy, climate change, smart mobility, built environment, sustainability management, water, green growth among others are executed by ICLEI South Asia through support from various donors (such as Swiss Agency for Development and Cooperation, European Commission, GIZ, USDOS, UNEP, UNDP, USAID) and various ministries in Government of India and various state government funding sources. ICLEI South Asia’s Energy & Climate team has extensive experience of working with cities to offer technical assistance, conduct techno-economic studies, undertake research and analyses, formulate policy and action plans, design and pilot innovative solutions, deliver capacity building and knowledge transfer, among others.

Project: Urban95 Udaipur Phase II
